I extend my sincerest wishes to:*

Research & Development Center ❧*

*I am pleased to express my warmest greetings and wholehearted congratulations to the Eachtechnology Canada Co. Ltd. and the Canadian Chinese Premade Cuisine Industry Research & Development Center (CCPCIRDC) in celebration of the Chinese New Year with Hometown Flavor event at the Premade Cuisine Industry Development Forum. Special congratulations on the establishment of the CCPCIRDC.*

*Ontario welcomes entrepreneurs and values their significant contributions that strengthen and reinforce the backbone of Ontario's economy. The Spring Festival, also known as the Chinese New Year, is a prominent date on the lunar calendar, and is celebrated by Chinese people living all around the world. It marks a time of new beginnings, full of hope, possibilities, and progress.*

*This festive forum is a great addition to the community, and presents participants with a friendly, inclusive, and jubilant atmosphere to gather and participate in an important dialogue about the pre-made cuisine industry in Canada. While honouring the tapestry of centuries-old traditions rooted in Chinese culture, the substance of this special event will resonate with guests and participants alike to inspire feelings of familiarity and nostalgia through a feast of great hometown food and flavours, which are central to the event's fun and festivity.*

*It is my pleasure to thank the organizers, participants, and volunteers involved in presenting this amazing event. I wish you health, happiness, and prosperity in the lucky Year of the Rabbit.*

*Sincerely,*

*Vincent Ke, MPP
