**A MESSAGE FROM THE HONOURABLE RAYMOND CHO
MINISTER FOR SENIORS AND ACCESSIBILITY**

***“Chinese New Year with Hometown Flavour
Premade Cuisine Industry Development Forum”***

As Minister for Seniors and Accessibility, I am pleased to extend my warmest greetings to everyone attending today’s event in celebration of the Chinese New Year of the Rabbit.

As we welcome the new year together, today’s event is a wonderful occasion to celebrate heritage and traditions through the flavours of culture and cuisine – truly the heart of every hometown.

I would like to take this opportunity to recognize the tremendous work of Eachtechnology and the Premade Chinese Cuisine Industry to bring together investors, industry associations, restaurants and suppliers in a collaborative effort to meet the challenges of research and development in this market sector, and for the generous food donation in support of seniors in our community.

Thank you to everyone involved in arranging this today’s celebration. Please accept my best wishes for an enjoyable event and a healthy and happy Year of the Rabbit. May the new year be a time of joy, hope, peace and prosperity for all.

Sincerely,

A handwritten signature in black ink that reads 'Raymond Cho'.
