GREETINGS FROM COUNCILLOR ISA LEE

Chinese New Year with Hometown Flavor – Premade Cuisine Industry Development Forum

-February 4, 2023-

It is my pleasure to extend greetings and a warm welcome to everyone attending the Chinese New Year with Hometown Flavour – Premade Cuisine Industry Development Forum, organized by Eachtechnology Canada Co. Ltd and Canadian Chinese Premade Cuisine Industry Research & Development Centre in celebration of the Year of the Rabbit.

In Chinese culture, the New Year is a time for family reunions, with a focus on gathering families together to share a delicious meal together. These meals usually consist of traditional foods that conjure up memories of hometown flavours.

Over the last three years, the pre-made Chinese cuisine industry has been rapidly expanding. Today's event is aimed towards letting more Chinese Canadians taste and experience hometown flavours, to discuss the opportunity and challenges of the pre-made cuisine industry here in Canada, and more. Events like this is a great way to continue and pass on our hometown flavours and promote cultural exchange.

Please accept my warmest wishes for a much successful event, and I wish you all good health, happiness and prosperity in the Year of the Rabbit!

祝大家兔年快樂，萬事如意！

Yours Sincerely,

Councillor Isa Lee 李思韻
Ward 8, City of Markham 萬錦市第八區市議員
