Eachtechnology Canada Co. Ltd

As the Member of Parliament for Markham-Unionville, I would like to extend my best wishes to Eachtechnology Canada Co. Ltd for their Chinese New Year with Hometown Flavor — Premade Cuisine Industry Development Forum.

This community event will be an excellent opportunity to celebrate the Spring Festival while embracing traditional Chinese culture and heritage. I hope everyone in attendance enjoys spending time with friends and family while sharing delicious Chinese cuisine and celebrating the new year.

I would like to thank Eachtechnology Canada Co. Ltd for hosting this wonderful forum for our community. This event will not only bring the community together in celebration, but will also work to promote local Chinese cuisine and businesses here in Markham. It is great to see investors, food industry associations, restaurants, and food suppliers coming together to support this important sector.

I would also like to thank all the volunteers that have made this forum and celebration possible. This could not have been done without you. I wish you all the best and many more successful years to come.

Sincerely,

A handwritten signature in black ink that reads "Paul Chiang".
